

1 KILO – 3 EUROS

by Ani Mrelashvili

SYNOPSIS

Maka runs a small Georgian parcel shop in Berlin. It's a place that doesn't exist on Google Maps and can only be found if you know where to look for it. The store is an anchor point for Georgians who send parcels to their loved ones in their faraway homeland. Each package comes with its own story. What emerges is a small Georgia to soothe nostalgia.
