

75/1

by Till Kleinau

SYNOPSIS

Thomas Meixner tries to reconstruct 75 instruments in only two years to make a concert happen in Taiwan.

Thomas has been professional drummer all through his life until he got asked to revive Harry Partch's lifework. In his tiny garage in Cologne, he starts reconstructing all of Partch's 75 custom-made instruments. He has only two years to get everything ready for the grand premiere at the national theater in Taiwan. 75/1 observes the abysses of a man, who between insomnia and isolation, has only one determination: to finish the work he had started.
