

A MODERN MAN

by Eva Mulvad

SYNOPSIS

Young, beautiful, rich: Charlie Siem is the perfect modern man. A young, wealthy photo model for Hugo Boss – and even a first violinist with a growing crowd of worldwide fans. But is there also a human being behind the perfectionist? Success has a price in Eva Mulvad's new film. Multi-awardwinning director Eva Mulvad ('The Good Life', 'Enemies of Happiness') masters the delicate balance of providing a profoundly human insight into the nuances of a unique mind and an undeniable talent. An existential journey into a world of expectations and choices. A story about us – the free and wealthy – who seem to have it all but are always on the hunt for more.
