

A-HA – THE MOVIE

by Thomas Robsahm

SYNOPSIS

A-HA - The Movie follows the Norwegian band on tour, telling the full story of how three young men followed their dream of becoming international rock stars.

When Take On Me reached number 1 on Billboard in the US in 1985 the dream came true. But what does success do to friendship? Why are they not capable of spending time together anymore. Is it jealousy, vanity or something more complex?

With unique access to the band, and never before seen archive footage, the film tells a story of great music, troubled friendship, big ambitions and the dark side of success.
