

ALL THAT SHINES

by Gregor Eppinger

SYNOPSIS

All her life, Lydia has been working as a domestic helper in Berlin. Back at home in Poland she takes care of her elderly mother and sick brother. A lonely, deprived life lies behind her. The time of retirement is approaching, but all hopes of having a contemplative retired life in Poland will probably come to nothing. Ken Loach in documentary form. [37 DOK.fest Munich, Ysabel Fantou]
