

# AN APARTMENT IN BERLIN

by Alice Agneskirchner

## SYNOPSIS

Young Israelis in Berlin are mostly attracted by its cosmopolitan and international atmosphere, the low cost of living and the good infrastructure, which make life fairly easy. Berlin was also the place from which the Nazis planned the systematic extermination of the Jews. Three generations after the Holocaust, does this fact matter to young Israelis? How does it affect their lives today? Three of them want to find out, what it would do to them to embark on a journey into the past by retracing the life and re-furnishing the original apartment of a Jewish family from Berlin once deported by the Nazis.
