

# ANNA PAVLOVA LIVES IN BERLIN

by Theo Solnik

## SYNOPSIS

Anna Pavlova, Russian party queen, embodies the brutal happiness and tragedy of the Berlin party generation of our times. Lost in the edge between insanity and seldom poetical lucidity, wandering alone through the streets of Berlin, she shows us the side of the party world that we rarely see. Anti-hero of civilized society, her existence is a desperate attempt to live in a never-ending happiness, in order not to see the world that begins when the party music ends.
