

# ART'S HOME IS MY KASSEL

by Katrin Heinz

## SYNOPSIS

ART'S HOME IS MY KASSEL - shows how different people handle the sudden invasion of contemporary art and in the middle sized german town Kassel - called Documenta. From the preparations in the beginning of 2012, through the whole 'Museum of 100 days' and the wrap of dOCUMENTA (13) the film follows different protagonists and their partly very practical and comprehensive approach to the works and the art circus. The ways how people with or without an art expertise approach and appreciate the inspirations gives a very unique insight on the meanings of art and culture.
