by Steffen Weber

## SYNOPSIS

The political refugee Fiston Massamba has stranded on his escape route from Congo in Morocco. After five years he risks one last attempt to reach Europe. But instead of taking one of the infamous refugee boats, he follows a rumour that sends him thousands of kilometres back to the south. The documentary accompanies Fiston on his adventurous trip with a fake passport all the way down south to Senegal. Will his dream to reach Europe via this offbeat route finally become true?
