

BALKAN DREAMS - LIFE IN THE RHYTHM OF 16/9

by Gianluca Vallero

SYNOPSIS

"Balkan Dreams - Life in the Rhythm of 16/9" is a long-term documentation, where the surprising faces of otherwise anonymous figures in Berlin are brought to light. We accompany our protagonists for 5 years through their often unsettled lives. We join them as their respective adventures unfold; with stories of their dreams, traditions, war and love. And thanks to them, we get a deep insight into the "Yugo-society" in Germany; 20 years after the end of the last Balkan war.
