

BELLEVILLE, BELLE ET REBELLE

by Daniela Abke

SYNOPSIS

Paris, Belleville: a neighbourhood that epitomises migration, music and struggle. At the corner of Rue des Envierges echoes of the Paris Commune of 1871 resonate, as neighbours and strangers alike sing old French popular songs together at Le Vieux Belleville, one of the city's last remaining café musettes. An ensemble of truly emblematic characters pays tribute to the French revolutionary spirit - echoes of a bygone era perhaps, yet radically fresh.

with Joseph Pantaleo, Lucio Urtubia, Minelle Guy, Riton la - Manivelle, Robert Bober, S.C. Turne
