

# BHAVINI – I JUST WANNA DANCE

by Andre Hörmann

## SYNOPSIS

Little Bhavini dreams her way out of a Mumbai slum into a career as a dancer. She keeps practicing the steps of traditional Indian dancing, she keeps begging her mother to allow her to take lessons with a famous teacher. But that is expensive and they are barely scraping by since father died. So Bhavini begins to work at her mother's beauty salon. But there is another obstacle to overcome: the entrance examination...

In this new instalment of his series about children in megacities, André Hörmann once again, rather than simply showing the life of foreign children, explores the question of what it means to live for one's dreams. (DOKLeipzig, Grit Lemke)

## FESTIVALS

2013

Seal of Approval 'highly recommended'

DOK Leipzig
