

BLACK CHINA

by Inigo Westmeier

SYNOPSIS

BLACK CHINA is a documentary journey to the Eldorado of today – to China. The times of the 'American Dream', a key concept of the 20th century, are over. New powers come into play. Economic miracle China moves into the fast lane and represents a 'Chinese Dream'. What kind of dream is it? What does an 'African Dream' look like? A documentary journey of African immigrants, who are not taking a boat to conquer Europe, but board a plane to travel to the new Eldorado.
