

BODY OF TRUTH

by Evelyn Schels

SYNOPSIS

Artists Marina Abramovic, Sigalit Landau, Shirin Neshat & Katharina Sieverding have been politicized by experiences with war, violence and suppression and integrated them into their work, using the most personal feature available: their own bodies. We accompany them on an emotional journey, reexperiencing the conflicts that have shaped their consciousness. The 4 women originate from different cultures, whose struggles epitomize the grand conflicts of our time. (auTLOOK)
