

BUGARACH

by Ventura Durall, Salvador Sunyer, Sergi Cameron

SYNOPSIS

Bugarach is a tiny village in southern France where everyone lives a quiet life, isolated from the world; until the day that the international media spreads the news that Bugarach is the only place that will allegedly survive doomsday. Five characters face the alleged end of the world in Bugarach: Slide, the magician boy who sees the event as a great opportunity to become famous; Uranie, a millennarian who has a plan for his salvation; Mirko, a boy obsessed with weapons who wants to protect the village; and Monsieur Pouce, a scholar who seems to know everything about the region and who claims to have located the body of Christ underneath the mountain. D-day is approaching and fear, hope, faith, fame or greed are emerging. A fable in the shape of an existentialist comedy about the spiritual crisis of the West.<http://www.nanouk.tv>
