

CALL IT A BALANCE IN THE UNBALANCE

by Regine Lettner

SYNOPSIS

Fashion designer Miguel Adrover - eccentric, visionary and free-thinker. This is the story of a Majorcan farmer's son, who left his homeland to conquer the Big Apple's fashion scene. All at once, Adrover was the dreamlike embodiment of the American success story. The decline that followed, was just as rapid. In a trice the highly respected fashion designer found himself again with nothing! This documentary follows Miguel Adrover, former enfant terrible of New York's fashion scene, somewhere between yesterday and today, recognition and trauma.
