

CAMPUS GALLI – THE ADVENTURE CONTINUES

by Reinhard Kungel

SYNOPSIS

Strange goings-on in the woods of Campus Galli in Germany: people wearing clothes of a bygone age are felling trees, tilling fields and building huts – all without modern equipment! They plan to build a monastery, complete with a colossal abbey. Often, seemingly trivial issues cause the biggest headaches. For example, the construction of the first stone buildings is delayed because it is proving impossible to produce firm mortar using medieval methods. And the outbreak of the COVID-19 pandemic is a catastrophe, because the site depends on paying visitors. Third film of a long-term-documentary by Reinhard Kungel.
