

CATCHING HAIDER

by Nathalie Borgers

SYNOPSIS

Dead in a car crash in 2008, Joerg Haider, former leader of Austria's Freedom Party, was the first to bring a far right populist party to power in Europe. CATCHING HAIDER is a subjective voyage in Haider's political, geographical, familial, and emotional world, seeking to glimpse the real person behind Haider's contradictory personas, his goals, and his strategies, and finally identifying the illusionary and deceptive methods of populist politics which have since spread all over Europe.
