

CENTURY OF WOMEN

by Uli Gaulke

SYNOPSIS

They are five impressive women who together have spent more than 500 years on this earth. They come from Cuba, Israel, Austria, India and Turkey and have inspired the people around them through their strength and actions. With a strong will and a firm belief in themselves, they have transcended stereotypical roles and realized their dreams. They are an incentive for all women to consistently follow their path and stand up for equal rights. CENTURY OF WOMEN – WOMEN TELL THEIR STORY is 100 years of emancipation from very different perspectives.
