

# CERTIFICATE IN GERMAN

by Karin Jurschick

## SYNOPSIS

"...in terms of language, we participate in the creation of social reality, of the community..." (Framework of the curriculum of integration courses) Since January 1st, 2005 there has been a new Immigration Act in force in Germany. Integration is ordained. Whoever wants to stay here had better get to know Germany: with 600 language lessons and 45 lessons on orientation. The film tracks people from China, Somalia, Afghanistan, Morocco and other countries through their courses: what are they supposed to know in order to be able to integrate in Germany?
