

# CHARLOTTE ROCHE - EXPLORING WETLANDS

by Hilka Sinning

## SYNOPSIS

“Feuchtgebiete” was on the top of Spiegel bestseller list for about six months. It seems to be a phenomenon, a revolution of the women's treat of sexuality. Why decide so different people to read it? The novel polarizes the audience. This documentary figures out the intention of writer Charlotte Roche, accompanies her readings in Germany and the publication of „Wetlands“ in France. German and French readers speak about their motivation to read the novel and their impressions. The film analyzes if there starts a new female revolution or if „Wetlands“ only describes sexual items in a vulgar language. Charlotte Roche, social scientists, gynecologists, publisher as well as well-known people like Harald Schmidt, Denis Scheck or Frédéric Beigbeder talk about their impressions about the novel. Filmmaker Hilka Sinning uses an aesthetic, adequate film language.
