

CLASH OF FUTURES

by Jan Peter (L.E.VISION), Frederic Goupil

SYNOPSIS

11 November 1918. The Great War is finally over. A new era is about to start. Amidst the grief, disappointment and old fears, new dreams and hopes are now emerging but so too are new hatreds:

"Clash of Futures" explores the dramatic era of the 1920s and '30s. The eight-part series follows the fates of extraordinary men, women and children from France, Germany, Italy, Great Britain, Austria, Sweden, Poland and the Soviet Union using their own diary entries, letters and memoirs. These are people drawn into the war by their convictions, who with their loves and decisions bring the history of Europe with all its contradictions to life.

"Clash of Futures" is an international co-production from LOOKSfilm (Gunnar Dedio) in Leipzig and Les Films d'ici (Serge Lalou) in Paris on behalf of ARD/ARTE Deutschland, ARTE France and ARTE G.E.I.E. in cooperation with YLE (Finland) as well as international partners such as ORF, SVT and DR. Other co-producers include Iris Productions in Luxembourg...
