

# COMING OF EIGHT - A SMALLWORLD STORY

by Robert Paschmann

## SYNOPSIS

G8 – a short term, associations of world worldwide protest, of street battles, smashed windows and riot police attacks. But in the quaint Canadian town of Huntsville, something seems to be a little different. For the 2010 summit, Huntsville’s locals rather think of free hugs for protesters and special offers for police officers than of teargas and rubber bullets. “It’s a G8 – come and enjoy yourself!” And the countdown for the great event is on...
