

# DANIEL RICHTER

by Pepe Danquart

## SYNOPSIS

Few portraits of artists give us the privilege of getting as close to a painter as if we had free access to his studio. Pepe Danquart was allowed to accompany the painter Daniel Richter for three years. He watched him paint with his camera, negotiate with his gallerist, talk with his publisher, and joke with his companion Jonathan Meese. He interviews collectors, attends auctions, and even visits record stores. In this way, the complex picture of a visual artist emerges, who is as inclined to the abstract as to the figurative and who seems to be constantly searching for the meaning of his work. On the art market, Daniel Richter's paintings fetch top prices - an aspect that neither Pepe Danquart nor the painter himself omit, but which fortunately is not the focus here. Openings, auctions and gala dinners give structure to the film narrative, but its heart is Richter's studio. There we experience him as a craftsman, a restless doer, who reflects astonishingly candidly and...
