

# DRAGON GIRLS

by Inigo Westmeier

## SYNOPSIS

The documentary DRAGON GIRLS tells the story of three Chinese girls, training to become Kung Fu fighters, far away from their families at the Shaolin Tagou Kung Fu School, located right next to the Shaolin Monastery in China, place of origin of Kung Fu. Three girls in a crowd of 27.000 children, under pressure to conform to the norms and structures: They are turned into fighting robots and yet, if you look behind the curtain, you see children with dreams and aspirations.
