

F*CK FOR FOREST

by Michal Marczak

SYNOPSIS

Berlin's Fuck For Forest is one of the world's most bizarre charities.

Based on the idea that sex can save the world, the NGO raises money for their environmental cause by selling homemade erotic films on the internet. Meet Danny, a troubled soul, as he accidentally discovers this exuberant, neo-hippy world where sexual liberation merges with global altruism, and joins their already colourful operation. From the streets of Berlin to the depths of the Amazon, together they are on a planet-saving mission to buy a piece of forest and save the indigenous peoples from the sick, sick West.
