

# FAMILY LIFE

by Rosa Hannah Ziegler

## SYNOPSIS

Family Life shows every day life of Biggi (50), her teenage daughters Saskia and Denise and Biggis violent ex-spouse Alfred (55) as well as their 5 horses, their 6 dogs, the cats. They live isolated in an old farm house in a small village in eastern Germany. Each of them has troubles to getting along with life. They love to sing songs to express themselves, especially Biggi and Alfred. Both don't have jobs and the two girls find always reasons to stay at home. They need each other and care for each other. Even there are often conflicts with Biggi and the girls, Alfred is longing for a common life. One day a change arises. A movie about the difficulties to break out of a circle. Family life with horses, dogs and cats, TV, PC and Smartphone.
