

# FIGHT FOR SURVIVAL: PROTECTING THE WHALES

by Angela Graas - Castor

## SYNOPSIS

They're on their way to the Southern Ocean on a special mission. A self-sufficient group, determined to make our world a slightly better place to live in for man and animal. Almost 40 young people from all over the world. Welded together for three months on a 70-metre-long piece of steel civilization ... as Japan intends to kill another 1000 whales south of the 60th parallel.
