

FREDDY – I DIVE FOR GHOST NETS

by Bernadette Hauke

SYNOPSIS

There is a lot of garbage on the bottom of the sea. Freddy has seen this during his dives. He wants to salvage the old nets that fishing boats have lost in the Baltic Sea, because they are a danger to marine animals, which get tangled up in them and die. Freddy trains to salvage these ghost nets so that he can clean up a piece of the sea aboard the special ship SEEKUH with diving professionals.
