

# GABRIELLA AND THE GOLDEN BOYS

by Daniel Abma

## SYNOPSIS

Arvid, Rudi, Marlon and the other guys are actors with body and soul. The stories they play are based on their own lives, and that's why the stories are as weird and special as the actors themselves. The film follows this extraordinary theater group through a year of rehearsals. It ends with the premiere of "Gabriella" and shows that you don't need much to make life a big party.
