

# HERR SCHULTZ SETS SAIL

by Frank Müller (doppelplusultra)

## SYNOPSIS

House or boat? With this question Kurt Schultz confronts his family of six in 1957. After their lucky escape from the GDR they live in a flat of 50 sqm in a temporary home among allotment gardens at Billerhuder Insel, Hamburg. Kurt Schultz is having it his way. Despite the cramped conditions they decide on building a boat they go for making a dream come true rather than playing it safe. The 10-meter steel yacht materialise
