

# HOLANDA DEL SOL

by Daniel Abma, Florian Lampersberger

## SYNOPSIS

Every winter, the Dutch senior-community takes over the Spanish city Benidorm along with its amazing skyscraper-skyline. The elderly stay several months, or even move permanently into a geriatric-center and find their own comfort there. Far away from home they enjoy the mild climate, they sing, party and laugh. This is where they grow old, this is where they want to pass away. Benidorm became a hideaway. To escape from loneliness, to live the dream of being retired in the south, or to just enjoy.
