

HOMEMADE HILLBILLY JAM

by Rick Minnich

SYNOPSIS

Hillbillies haven't died off; they've simply become neo-hillbillies. Three families of musicians in the Ozark Mountains of Southwestern Missouri give new meaning to the word "hillbilly." Float down the backwaters, soak up some old time religion, savor a washboard duel, and bask in the neon lights of the pseudo-hillbilly showtown Branson. Lean back and merge into hillbilliness.
