

HOW BIG IS A 9-YEAR-OLD?

by Michael Brown

SYNOPSIS

This music-documentary follows internationally acknowledged Serbian-born drummer-composer Dejan Terzic and his fellow musicians over the past 3 years and 3 albums, revealing Terzic's exceptional drive and talent as a musician and musical multi-tasker, and how he succeeds in bringing unique musicians together from Germany, France, Australia, the USA, Serbia and Switzerland.

As the film draws the audience closer than ever into their creative process, literally breathing down their necks, the musicians' and producers' music and statements speak for what it really means to play and record music today.
