

# ILSE MIDDENDORF: BREATH - VOICE OF THE SOUL

by Gerd Conradt

## SYNOPSIS

A Revelation on the Experience of Breath. Witness the work of the Experience of Breath. Prof. Ilse Middendorf (1910-2009) demonstrates movements initiated by breath, expounding upon the principles of breath that she discovered. In this inspirational documentary, the Grande Dame of Breath Therapy presents herself with her deep knowledge and clarity. These rare clips of this extraordinary Berlin personality were filmed at her Institute, the former city residence of the Princess Viktoria Luise. Ilse Middendorf participated in this project with great excitement and support. German title: ILSE MIDDENDORF: Atem - Stimme der Seele Trailer: <http://www.youtube.com/watch?v=i7Ys151xqhg>
