

INNDEPENDENCE

by Michael Schwarz

SYNOPSIS

During Corona Lockdown 2020, 29 homeless people had the opportunity to temporarily be accommodated in the INNdependence hotel in Mainz. Three of the residents, Christian, Jasmin and Paul, let us partake in their individual life stories – stories that are entirely different and yet share the same experiences: living on the streets. However, the stay is only temporary – after 64 days the residents have to move out...

With Christian Brandt, Jasmin Stock, Paul Michael Wagner
