## SYNOPSIS

Shattering boundaries, tampering with bellows, utilizing electronic devices and samples of strings, animal sounds and earth machines, Kimmo Pohjonen pushes sound, performance and composition to their extremes.

The music is composed and performed by Kimmo Pohjonen. He performs together with Samuli Kosminen; KRONOS QUARTET, Timo Kämäräinen, Sami Kuoppamäki; Trey Gunn & Pat Mastelotto (KING CRIMSON)

SOUNDBREAKER is a film about breaking rules and fighting against expectations.

Director Kimmo Koskela tells the story with sparse words and breathtaking images. Giving a deep understanding of the inner struggle of this exceptional artist he conveys the spirit and feelings of a Northern country.

( Please note, while the download we offer is in stereo the stream to rent is unfortunately available in mono only)
