

# LADIES ONLY

by Rebana Liz John

## SYNOPSIS

"What makes you angry?" asks the filmmaker. A small film crew enters the ladies compartments of the local trains in Mumbai. Chance encounters and acquaintances are invited to reveal their opinions, their confessions and their stories in a 'public' space. Their diverse answers thread themselves into an unfolding tapestry of details and observations. The light on the faces, the figures in the background, the driving noises of the train and the interactions between the travelers bring the space alive. Black and white images distill the essence of the space. A poetic rhythm takes us across Mumbai and its mix of cultures, languages and faces, providing insight into how urban Indian women see and shape their lives.
