

# LAULA

by Werner Biedermann

## SYNOPSIS

LAULA is a portrait of Jewish paintress Laula Pläßmann who developed an unusual way of evoking deceased members of her family in her pictures. Remembering those people is a way of paying homage to, or meditating on their lives, respectfully. The film acknowledges her special approach: to place biographical aspects in a pictorial context. 2008/09 Laula Pläßmann painted 35 members of her family who became victims of the holocaust.
