

LOVE AROUND THE WORLD

by Davor Rostuhar, Andela Rostuhar

SYNOPSIS

What would a portrait of humankind look like seen through the prism of love? A young married couple decided to turn their honeymoon into a journey around the world, exploring the subject of love through the prism of different cultures, customs, and beliefs. We get to know over 130 couples across 30 countries including France, Oman, Iran, India, Kyrgyzstan, Maldives, China and the U.S. while questioning to what extent the idea of a romantic relationship is determined and filtered by specific contexts, including social, geographical and culture variables.
