

# MR CINEMA

by Matthias Ditscherlein

## SYNOPSIS

Helmut Göldner (75) lives in a small village in Saxony-Anhalt. When he "made cinema" for the first time at the age of 15, it's all up with him. From then on films determine his eventful life for over 60 years now - and the ones of his wife Rita and his daughter Heike, who are always at his side, but observing "Mr. Cinema" in a critical and ironical way. The film tells about love and passion to a profession and what that does with a family. And about Helmut the Superman, whose powers, in his opinion, never end and aren't allowed to end, because after him, nobody will follow.
