

MUNICH 72 – SOCIAL VR EXPERIENCE

by Matthias Leitner, Eva Deinert

SYNOPSIS

The 1972 Olympic Games in Munich. The games were supposed to be cheerful. But on the 11th day, Palestinian terrorists take members of the Israeli team hostage. The police attempt to free the prisoners fails and ends in disaster. "Munich 72" is a walk-through documentary in VRChat that traces what happened in Munich 50 years ago.
