

NEWO ZIRO – NEW TIME

by Robert Krieg, Monika Nolte

SYNOPSIS

Grandfather Bawo Reinhardt, his son Lulo and his grandchild Sibel are the main figures in the documentary film NEWO ZIRO; joining them is Sasha Reinhardt, the initiator of DJANGO'S HEIRS, a Sinti and Roma Music Festival in the country town Koblenz in southwest Germany. The film provides deep insights into a culture which is among those most discriminated against in Europe. Bawo, Lulo and Sibel live actively in Germany's majority society without denying their roots. Sasha does not believe in 'new times'. He would rather have everything remain as it is. Either way, real tests are unavoidable.
