

PARALLEL PLANES

by Nicole Wegner

SYNOPSIS

PARALLEL PLANES is a documentary film portraying 12 American musicians. It is a journey between genres, an essay on free thinking and an intimate look at how 12 critical players relate to the potential of music.

This film is a proof that music reminds us how and why we criticise politics and society and that our different ideas are bonded to each other.

with:

Michael Gira (Swans, Young God Records), Mick Barr (Orthrelm), Justin Pearson (The Locust), Ian MacKaye (Minor Threat, Fugazi), Valentine Falcon (Get Hustle), Jamie Stewart (Xiu Xiu), Anna Barie (These Are Powers), Weasel Walter (Flying Luttenbachers), Jenny Hoyston (Erase Errata), Alap Momin (Dälek), Greg Saunier (Deerhoof), Otto von Schirach
