

# RAINBOWS END

by Christian Jentzsch, Jochen Hick

## SYNOPSIS

With the advent of same sex marriage, homosexuals have achieved near-equality in much of Europe. Everything is rosy, so why should they keep on fighting? A revealing and exciting journey from the center to the borders of Europe. The recently accomplished documentary contains exclusive stories, portraits, interviews and footage of various events in Geneva (United Nations), Poland, London, Windsor, Amsterdam, Kiev, Minsk, Egypt and Lebanon. It also features an exclusive interview with the Gay mayor of Berlin, Klaus Wowereit.
