

# REGINA

by Diana Groó

## SYNOPSIS

Diana Groós's poetic documentary REGINA tells the story of Regina Jonas (1902-1944), a woman who made history by becoming the first properly ordained woman rabbi in the world. The daughter of an Orthodox Jewish peddler, Jonas was ordained in 1935. During the Nazi era and the war, her sermons and her unparalleled dedication brought encouragement to the persecuted German Jews. Regina Jonas was murdered in Auschwitz in 1944. The only surviving photo of Jonas serves as a leitmotif for the film, showing a determined young woman gazing at the camera with self-confidence.
