

# RICHARD AGREITER - GENESIS

by Gernot Steinweg

## SYNOPSIS

The intriguing story that tells of Professor Richard Agreiter, a Tyrolean sculptor, and his largest bronze statue entitled "GENESE" ("Genesis"). The sculpture has been commissioned by Raiffeisen-Holding NÖ-Wien, part of an Austrian banking association, and cast at Fonderia Artistica Guastini, an Italian foundry for art. It is "one of the most wonderful large-scale sculptures that has originated in recent decades" (Director of Landesmuseum Niederösterreich, Mag. Carl Aigner, art historian.)
