

ROOF OF LEAVES

by Anna Caroline Arndt

SYNOPSIS

How to unlearn what we have learned.

Constantin, Sarah and Gregor live in a polyamorous relationship.

Roof of Leaves follows them on their search of a mindful way of dealing with each others emotions.

They unravel a religious childhood trauma from the past, discuss, wrestle, sing, listen and try to establish a new space of possibilities of how to live and love. Roof of Leaves is a intimate film debut questioning normative patterns we have learned.
