

RUSSIAN WONDERLAND – WAR AND EVERYDAY LIFE IN CRIMEA

by Dmitri Vologdin, Frank Müller

SYNOPSIS

Even in Soviet times, Crimea, with its pleasant climate and luxurious sanatoriums, was a place of longing for many Russians. The six-part documentary series accompanies the entertainer Spartak and the staff of his 'International Striptease Show' from the pre-war year 2021 to the war year 2023 in the holiday hotspots in Crimea. How does Russia's war of aggression change the people there?
