

# SANKT PAULI! RUN OUT - WARM UP - SCORE OFF

by Joachim Bornemann

## SYNOPSIS

In summer 2006, the reports were coming thick and fast that, after 30 years of waiting, the stadium's new building would become reality. The cult club FC St. Pauli embarking on a new era will be documented by this feature-length film. The goal here is to make more than just a football film. Rather, we want to trace the unique atmosphere and feeling of Sankt Pauli. How does the interaction function between the club and its fans who live in the immediate neighbourhood? What is it that draws the people into the Millerntor stadium.

A fan isn't just a fan, especially here where the fan scene is very complex and open at the same time accompanied the team of FC St. Pauli in the 2006/07 second season on their almost hopeless journey to the magnificent promotion into the 2nd Bundesliga. Harbour, Kiez, the Schanze and Karo quarters, the construction of the South Stand until 2008 and the team's progress provide the framework for our stories the club, its fans and neighbours.

Music: Kettcar, Die...
